

ALBURGH WITH DENTON PRIMARY SCHOOL

ACCESSIBILITY PLAN AND POLICY

Adopted by the Governing Body: December 2018

Due for review: Autumn Term 2021

Rationale

The School has a duty to ensure:

- Disabled pupils can fully participate in the school curriculum
- The physical environment of the school supports and increases the extent to which disabled pupils are able to take advantage of all school services
- That physical and learning environments can be reasonably accessed by disabled pupils to meet their needs

Aims

- To make every child feel welcome
- To value all pupils equally
- To have high expectations of all pupils
- To remove all barriers to learning and participation

Action Points:

- The physical environment of the school will be monitored by the Resources Committee to ensure that all reasonable adjustments are being made to this end.
- An accessible curriculum will be monitored by the Standards Committee, who will liaise with the SENCO and the Headteacher.
- Staff training and awareness will be monitored by the Headteacher.
- The governing body will be responsible for ensuring that Resources Committee's terms of reference are reviewed to reflect these responsibilities and that they are included on committee agendas.

Broad Guidelines

A disabled pupil can be discriminated against on two ways:

1. By less favourable treatment (there are situations where there may be a reason for less favourable treatment).
2. By the School failing to make a 'reasonable adjustment'. Schools may be guilty of discrimination if they fail to take reasonable steps which lead to disabled pupils and prospective pupils being placed at a 'substantial disadvantage' compared to non-disabled pupils.

The school will review practice as part of its Equality Action Plan.

This policy should be read in conjunction with the school's Equality Policy and Equality Action Plan.
